Dear Parent/Carer,

We are currently developing our outdoor environment and are hoping that you can help us. We are seeking many items that may appear like junk to some, but will, in actual fact, spark a sense of awe and wonder in the children and instil excitement across our provision. As the old saying goes... 'One man's junk is another man's treasure'!

If you have any of the following items at home that you no longer need, or could ask others for, we would be incredibly grateful if you can bring them into school.
