# Half Term House Challenge!

As you know, this term we have relaunched our House system, complete with new house names! Our curriculum has recently been rewritten, and part of this work was the desire to reflect the cultural, social and historical character of our local area.

Therefore, our houses have been named after significant figures who come from Wolverhampton and have achieved significant success. Our hope is that these figures will inspire our children and help them believe and aspire to be the best they can be!

**St Paul's Houses – celebrating significant Wolverhampton figures of the past and present**

			
<b>Lewis House</b>	<b>Malam House</b>	<b>Knight House</b>	<b>Marston House</b>
Denise Lewis – excellence and success in sport	John Malam – excellence and success in archaeology and writing	Beverley Knight – excellence and success in music	John Marston – excellence and success in business and engineering

Over the half term holiday, we are challenging the children to carry out some research and create a poster / fact file / biography / piece of art for the figure their house is named after. All children taking part will be given a sticker and house points and the best entries will be proudly displayed on our House display and their creators will receive a special certificate.

Entries should be handed in to class teachers by Friday 8<sup>th</sup> November.

We can't wait to see the children's creations!

Yours sincerely

Jen Ferretti

Headteacher
